OUR VISION

To raise the academic standard of every individual using technology by following a systematic approach thereby ensuring academic excellence.

OUR MISSION

To empower students to become global citizens through a disciplined approach to holistic development in them – to inculcate a sound value system whereby they develop the right values unconsciously that will draw out the highest potential in them and lead them to success.

CURRICULUM

At Dhanish, we follow the Tamil Nadu State Board curriculum developed by the State Council of Educational Research and Training. The new books that have come out for classes I, VI, IX and XI are on par with the CBSE books and are even better with QR codes for self learning.

Emphasis on communication in English

Special emphasis is laid on communicating in English inside the school premises. As a major step towards this, we have introduced MiKids - a Phonics-based International English Programme for Kindergarten and grades 1 to 3. Mikids is structured on the recommendations of the National Literacy Strategy of UK and The National Reading Panel of USA. Mikids is conceptualized and developed by renowned British Linguistics experts with a vision to improve English standards all over the world.

The Learning Environment

At Dhanish, we provide

- Clean and spacious classrooms.
- State-of-the-Art Computer Lab with advanced systems and internet facility.
- Modern Science laboratories with weekly Practical classes from IX to XII.
- Well-stocked Library with a dedicated period for each class.

Teaching Faculty

We have highly qualified and well trained teachers who are given in-service training throughout the year to keep them abreast of the fast-paced developments in their fields so that they in turn can keep their wards updated.

Parent Teacher Meeting

Parent Teacher meetings for Board exam classes are organized at the beginning of every academic year and after every term for all classes.

STUDENT ENRICHMENT PROGRAMMES

Beyond the Classroom

At Dhanish, we believe in engaging children intellectually and socially beyond the classroom curriculum. Students of classes I to IX are offered the following extra-curricular activities during the class hours and they can choose any one activity.

| Karate | Chess | Abacus | Art and Craft

Educational Trips

Students of all classes are taken on educational trips every year to motivate and engage them in active learning experiences while giving them a break from their routine along with an opportunity for fun bonding.

Workshops and Seminars

Nutritional Guidance and Career Guidance are given to students by experts in the field. Nutritional guidance is also given to mothers of Board exam students.

Competitions

We give a wide platform to the students to bring out their innate talents by encouraging their participation in monthly intra-school competitions and inter-school competitions outside the campus.

Sports & Games at Dhanish

- Due emphasis is given to sports and games.
- Spacious ground for Sports and Games.
- Separate play area for Kindergarten and grades 1 and 2.
- Students are trained to participate in the Zonal, District and Divisional level athletics and games.
- Summer coaching is given to students for 10 days during the Summer vacation.

Facilities at Dhanish

- Purified RO system for drinking water.
- Hygienic Canteen.
- CCTV surveillance.
- School vans from and to various pick-up points on different routes for KG and Grades 1 to 8.

CARE FOR STUDENT HEALTH AT DHANISH

Medical Check-up

General medical check-up and eye check-up are organized for all students by experienced medical doctors.
